Kapaweno First Nation School

KITATAMIHIN - WE ARE THANKFUL

Kapawe'no First Nation - Tansi, what keeps our school going strong is the energy and dedication of our staff and students, as well as the support from our parent and caregiver nation.

Our strength - maskawisiwin - is made possible through our partnerships. We are very grateful to work with such great organizations such as the Jays Care Foundation, Impact Society, and Indigo Love of Reading Program, as well as our local departments, Grouard Seniors, and Elder Knowledge Council. Just as we instruct our students, I Am + I Have = I Can. Through nation, determination, and encouragement, all is possible.

Our song keeper, drum maker Mr. C continues to teach our young students the round dance sound prior to gym class. Keep up the great work.

Cree Phrase of the Week

ki·sâk·ihitin

ᐱᐱᐱᐱᐱᐱ

"i love you"

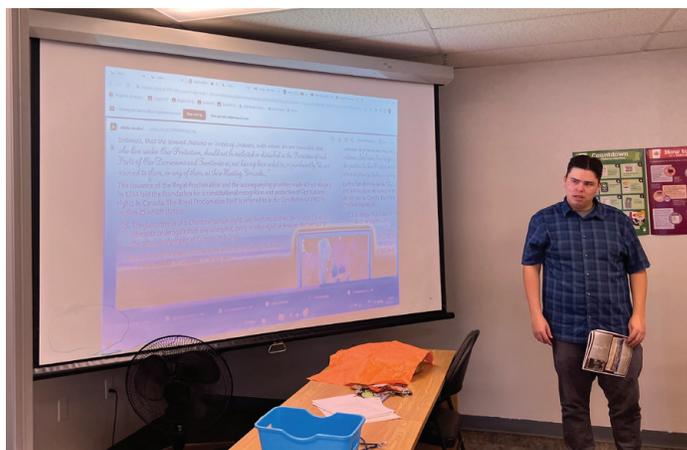

Working together for Sports

We are so excited to be an Affiliate School for the 2nd Year with the Jays Care Foundation, working together to create an inclusive sports program for all students.

Grouard Seniors hand out earphones donated by them to support our students to achieve high academics and studies.

Senior high students work on the treaty rights and sovereign steps during history class. They discussed one of the important steps in the Golden Thread such as the Proclamation of 1763 with King Edwards III.

Early grade students enjoy dressing the fish caught in the bay that day. The water base training is great for all students.

Pre school K4 enjoys participating in hygiene / hand washing teaching from the Kapawe'no Health Centre. Amazing collaboration and work.

Pre school K4 class taught by Mrs. Lori Willier working on daily exercises and learning cree at this amazing age.

Mr. K continues to go through the Golden Thread history Lessons with introduction in the Proclamation of 1763 with King George III.

The arts program continues with young grade 3 student Nova McLeod playing the guitar.

Stacey Halcrow, EPP Coordinator and Pamela Halcrow, Councillor hand out Kapawe'no merchandise to members during the open house.

Kapawe'no Knowledge Council continue to meet with Education reviewing the strategic plan and next steps.

The introduction into the great sport of Lacrosse being taught at the younger grades.

The hockey sessions are held every Tuesday and Thursday divided into two groups with both working on skill development. High school students work on leadership skills during the sessions as helpers.

Meet the Virtual School Team; (L to R) Mr. Cory Cardinal, Student Support and Culture, Mr. Boh Kubrakovich-Kiniw and George Halcrow, Student Support and IT.

BOXING PROGRAM

Our youth boxing program here at KFN School is a safe, and fun way to keep our students engaged in physical activity. Boxing teaches valuable lessons in dedication and discipline. Boxing is perhaps the best way for our students to exert their energy in a productive way while teaching them focus, coordination and respect.

HOCKEY PROGRAM

At KFN School, our student look forward to participating in the National Sport of hockey. Weekly on and off ice sessions are held for players starting out and for our players who advance into playing minor hockey throughout the area. All students receive a full set of hockey equipment donated by Sports Central in Edmonton. Learn from our experienced teacher coaches. As a team sport, hockey makes students more active, healthier and builds confidence and cooperation among players.

LACROSSE PROGRAM

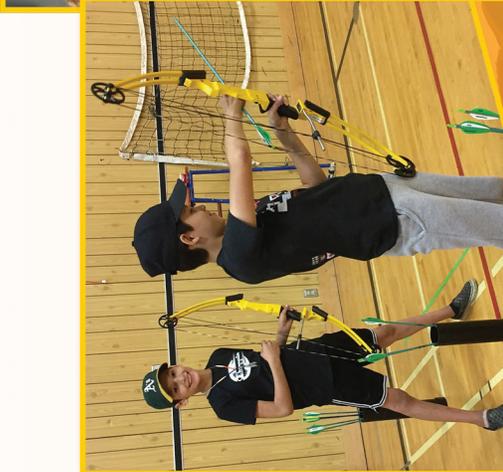

KFN School offers Lacrosse Program. Lacrosse builds character on and off the pitch. It teaches them both the traditional game of lacrosse and the new modern way. The traditional way is a healing and medicine game given to us by the creator, building mental strength challenges students to improve themselves.

ARCHERY PROGRAM

At KFN School, archery is a fun, educational and a traditional activity for young people to take part in. It is a sport for all. It helps to build muscle endurance and flexibility, and develop hand-eye coordination and strength. Archery teaches discipline, respect and self-control - something that carries over into pupils' attitudes, work habits and other school activities.

At KFN School, we have:
- Full participation in National Archery in Schools Program
- Archery tournament participation in June
- Staff are NASP certified instructors
