# BOXING PROGRAM

Our youth boxing program here at KFN School is a safe, and fun way to keep our students engaged in physical activity. Boxing teaches valuable lessons in dedication and discipline. Boxing is perhaps the best way for our students to exert their energy in a productive way while teaching them focus, coordination and respect.

# HOCKEY PROGRAM

At KFN School, our student look forward to participating in the National Sport of hockey. Weekly on and off ice sessions are held for players starting out and for our players who advance into playing minor hockey throughout the area. All students receive a full set of hockey equipment donated by Sports Central in Edmonton. Learn from our experienced teacher coaches. As a team sport, hockey makes students more active, healthier and builds confidence and cooperation among players.
