Honoring Indigenous Veterans: Remembrance Day at KFN School

Kapawe'no First Nation - On Thursday, we held our Remembrance Day Ceremony at KFN School. The ceremony commenced with a march-in parade featuring serving members and guests. Opened with a Nehiyawak prayer by Pricilla Sutherland, member of Kapawe'no Nehiyawak. It included a performance on the grandfather drum, a rendition of 'O Canada' in Cree, and 'Flanders Fields' also in Nêhiyawak. The Grade 8/9 class presented an acrostic poem they had created.

A key focus of the event was honoring Indigenous veterans, particularly those from the Grouard area. The students viewed a video about Charles Tomkins, a late local resident.

Metawewin Sports Academy - The State of Play: Cultivating Future Athletes through Skill Dev't and Growth

Kapawe'no First Nation - The Metawewin (Sports) Academy is dedicated to helping young athletes grow and develop their skills. Over the past six to seven weeks, the program has been about building on the basics that students have learned. Each academy within the program has its own special focus, and they are seriously dedicated to making well-rounded athletes.

Hockey Academy:
Under the guidance of Mr. Boh Kubrakovich-Kiniw, the focus is on refining the overall state of play.

Attendees included representatives from Lakeshore Police, RCMP, Fish and Wildlife, Grouard and Big Lakes Fire Departments, a Canadian Ranger and Afghanistan Veteran, two Regular Force veterans, and our teacher Mr. Mack from the Loyal Edmonton Regiment.

The students demonstrated remarkable respect and behavior, contributing to the ceremony's success. In the afternoon, the guests held career-day sessions, sparking the students' interest and motivation for their futures.

"Today, we not only remember the sacrifices of our veterans, but we also embrace the rich heritage and resilient spirit of our Nēhiyawak and Indigenous soldiers. Their contributions and stories are an integral part of our Nation's history, and it's essential for our students

to understand and honor this legacy." - Mr. Mack, LAWF / Music Teacher and Loyal Edmonton Regiment

Buffalo Bay Academy Celebrates Gabriel McLeod as Athlete of the Week

Kapawe'no First Nation - Gabriel McLeod, a Grade 7 student at Buffalo Bay Academy, has been named Athlete of the Week for his exceptional prowess in multiple sports. Excelling in lacrosse, hockey, and swimming, Gabriel has found his true passion in MMA/ Boxing. His dedication to this discipline has not only honed his physical abilities but also fostered his growth as a leader in the field.

More than just an athlete, Gabriel's commitment to his Nēhiyawak way of life is inspiring. This deep cultural and language connection enriches his approach to both athletics and academics, setting a powerful example for his peers. Gabriel's achievements at Buffalo Bay Academy go beyond sports; they embody a unique blend of leadership, muskwak pride, and academic dedication.

"His recognition as Athlete of the Week is a well-deserved honor, highlighting his impact both in and out of the sporting arena. Congratulations, Gabriel, on your well-earned achievement!"

~Mr Brian Thomas

Metawewin Sports Academy - The State of Play... from page 1

Mr. Martins is dedicated to honing basic to elite-level skill building, and Mr. Corey Jr. Cardinal is committed to elevating skating proficiency.

They're covering everything in hockey, from skating to precise stick work. Additionally, the High Prairie Red Wings Junior A team is helping with on-ice skills. Two young EAs, Caissia and Aliyah, are dedicated to tying skates, providing coach support, and demonstrating drills. Their goal is to become coaches of the teams going to the Native provincials.

The synthetic ice is a valuable resource for Grades K-3, and an off-ice program is in place. The older elite group is incorporating plyometrics into their alternating days off-ice.

Lacrosse Academy:

The lacrosse academy is about teaching skills like rolling, scooping, cradling, footwork, shooting, and handling the lacrosse stick

right. We want players to be great all-around lacrosse players.

Boxing and MMA Academy:

In a safe environment, students are gaining confidence through practice matches. It's about making them physically fit and sharpening their combat skills. Safety is a

big deal here, making sure no one gets hurt.

Volleyball Team:

The girls' volleyball team is showing big improvements by taking part in three tournaments. They're getting better in their physical education classes.

Swimming Program:

Mondays are dedicated to the swimming program, designed to replenish the athletes' muscles and contribute to their overall physical development.

In closing Mr Brian Thomas has this to say: The Metiwewina Sports Academy is more than just a training ground; it's a place where young talents become champions, where skills grow, and where the spirit of excellence shines brightly. It provides our students with an avenue to release the stresses they may have from academic settings. It offers a fresh perspective on learning. With every stride, every swing, and every moment, our athletes are forging a path to greatness through the beautiful programming at Kapawe'no Nēhiyawak School and Buffalo Bay Academy.

The Metiwewina Sports Academy is more than just a training ground; it's a place where young talents become champions, where skills grow, and where the spirit of excellence shines brightly.

FIRST NATION COLLEGE

Where tradition meets the future.

First Nation College stands as a beacon of educational innovation, seamlessly integrating time-honored ancestral wisdom with forward-looking academic excellence. Rooted in deep traditions, we strive to nurture students who embody the spirit of self-determination, blending their rich heritage with global competencies. At the heart of our mission and vision lies the aspiration to infuse our students with resilience, wisdom, and profound knowledge. We envision graduates who, while deeply connected to their heritage, are adept at navigating the global milieu with finesse.

Mission and Vision

Mission: Empowering students by bridging the chasm between time-honored values and modern acumen.

Vision: Our aim is to achieve an unparalleled educational standard that intertwines the invaluable traditions of First Nations with today's essential skills.

Guiding Principles

Our guiding light emanates from the timeless wisdom of the 7 Grandmother / Grandfather Teachings and Laws. These values not only guide our academic trajectory but also mold the character and essence of our college:

I see what you're asking for now. I'll craft new guiding principles for the First Nation Virtual Learning Centre (FNVLC), without using the teachings as headlines but still incorporating the essence of each teaching within the description.

more on page 7

Guiding Principles for First Nation Virtual Learning Centre (FNVLC)

1. Nation Bonding - Our digital platform thrives on the essence of love, fostering an environment where students and educators support, care for, and nurture each other, replicating the warmth of face-to-face interactions in a virtual setting.
2. Inclusive Dialogue - Grounded in the teaching of respect, we ensure every voice is valued. By creating spaces for diverse experiences and views, we cultivate a culture where each member's perspective enriches our collective understanding.
3. Boundless Exploration - With the spirit of courage, we urge our students to step outside their comfort zones. Our platform champions innovative learning methods and encourages members to tackle challenges head-on, redefining the boundaries of virtual education.
4. Authentic Engagement - Honesty, as a guiding beacon, ensures our community remains transparent and genuine. Every interaction, content shared, and feedback loop at FNVLC is anchored in truth and ethical practice.
5. Enlightened Learning - Beyond mere information dissemination, our platform emphasizes transforming knowledge into wisdom. Drawing from ancestral teachings, we guide students to reflect deeply, ensuring a balance between age-old insights and contemporary contexts.
6. Collaborative Growth - Recognizing the collective effort behind every milestone, our principle of humility ensures we view our achievements as a communal success. Every individual's contribution, no matter how small, is celebrated and acknowledged.
7. Pursuit of Authenticity - Steeped in the spirit of truth-seeking, we are committed to an education that encourages probing questions and genuine interactions. Our learners embark on journeys of self-discovery, understanding, and sincere knowledge acquisition.

Buffalo Bay Academy Celebrates the Conclusion of a Thriving Senior Girls Volleyball Season

Kapawe'no First Nation - The Buffalo Bay Academy's 2023 volleyball season has come to a close, marking a period of remarkable growth. Athletic Director Mr Brian D. Thomas extends heartfelt thanks to Ms Aaron Courtorielle, Ms Sherry Bellegarde, and Ms Wendy Lamouche whose dedication and expertise have been pivotal in steering the team to success. The gratitude extends to the athletes and Mr. George Halcrow, along with the support staff, for their unwavering commitment and energy.

This year was a journey of discovery for the team, not just in mastering the game, but in learning the essence of teamwork and forming bonds that extend beyond the court. The challenges were many, ranging from rigorous practices and tournaments to managing injuries and prior commitments.

As the season unfolded, the girls together with their coaches laid a strong foundation for future success. Their collective efforts culminated in a season that was as successful as it was enriching. Congratulations to all the

players for their effort and for showcasing the true spirit of sportsmanship and teamwork. The volleyball season of 2023 at Buffalo Bay Academy was indeed a resounding success, setting a high bar for the years to come.

Buffalo Bay Academy Embraces Diverse Athletic Program Under Athletics and Mr Brian D. Thomas

Kapawe'no First Nation - Buffalo Bay Academy, serving grades 7-12, continues to chart a defined road in athletic excellence under Mr. Brian D. Thomas, the Athletic Director and former Olympian. The Academy's expansion of its sports curriculum reflects a blend of traditional and contemporary athletic disciplines, showcasing a commitment to comprehensive physical education and sportsmanship for all students.

The school's athletic offerings, which already include Lacrosse, MMA/Boxing, Hockey, and Sport Recovery Aquatics, are now further enriched with the addition of a Plyometric and an Elite Shooting Program, Golf, Strength and Conditioning, and a season-ready Archery

program. These additions go beyond mere physical training, aiming to cultivate skills such as precision, endurance, and strategic thinking. Integral to athletics is a health curriculum that synergizes with the sports

programs, enhancing the overall athletic experience. The school's seasoned teachers and coaches are guiding students to embrace these new challenges enthusiastically, fostering excellence in each chosen sport.

First Nation College... from page 5

Through these principles, FNVLC aims to craft a holistic virtual education experience, harmonizing ancestral teachings with the needs of the modern digital age.

FIRST NATION VIRTUAL LEARNING CENTRE (FNVLC)

“Empowering First Nation Students through Innovative Virtual Education”

Our Journey

Since its establishment on April 1st, 2021, the First Nation Virtual Learning Centre (FNVLC) has embarked on a pioneering journey that seeks to redefine education on Turtle Island for students in Grades 4-12.

Our focus extends far beyond the classroom, encompassing all those who aspire to explore and wholeheartedly embrace the rich heritage of our ancestral way of living. We aim to create a future where knowledge transcends traditional boundaries, curiosity knows no bounds, and the immense potential of First Nation students is fully realized.

Mission-Vision-

Mission

“To provide cutting-edge virtual school experiences that transcend traditional boundaries and unlock the potential of First Nation students, as well as those eager to learn about our ancestral ways.”

Vision

“Interactive virtual learning that transports students to higher order thinking and digitized learning experiences that make education engaging and fun, and personalized learning paths that cater to individual needs and aspirations.”

Our journey is driven by the following:

A Commitment to Transformation

At FNVLC, we stand at the forefront of a transformative movement in education. We believe that learning knows no bounds, and through the seamless fusion of the physical and digital realms, we've created an educational experience unlike any other. It's an experience that doesn't merely impart knowledge but integrates the very essence of Nēhiyawak culture and wisdom into every lesson.

An Innovative Approach

Our approach is a testament to innovation. We are dedicated to pushing the boundaries of what's possible in education. From curriculum development to instructional design, we are constantly evolving to meet the dynamic needs of our students. We understand that each student is unique, and our commitment to personalized learning ensures that every individual can thrive in their way.

Empowering Through Education

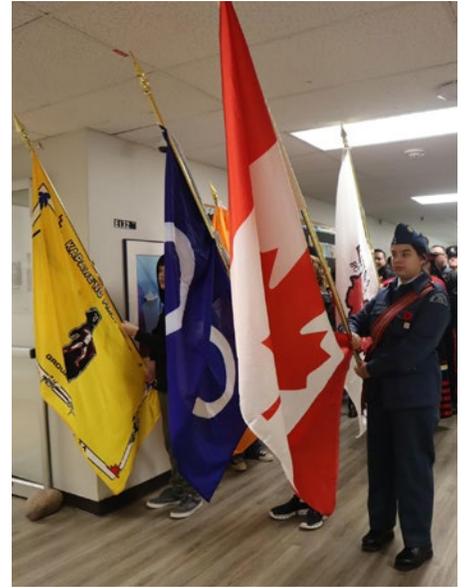

We firmly believe that every student, regardless of their background, deserves the very best education. Our commitment to excellence is unwavering. Our educators and staff are not just mentors; they are dedicated champions of student success. They work tirelessly to create a nurturing environment that fosters creativity, critical thinking, and cultural enrichment.

The Guiding Principles

Our guiding principles for the First Nation Virtual Learning Centre (FNVLC) are foundational beliefs and values that shape its mission, vision, and approach to education. Our guiding principles include:

Cultural Respect and Preservation: To honor and respect our ancestral cultures, traditions, and languages, and to work towards their preservation and revitalization;

Inclusivity and Equity: To provide equitable access to quality education for all First Nation students, regardless of their location, background, or circumstances;

Community Engagement: To actively involve and engage with the local Indigenous communities, Elders, and knowledge keepers to ensure the curriculum and approach are culturally relevant and meaningful;

Holistic Education: To offer a well-rounded education that includes cultural teachings, traditional knowledge, and values alongside academic subjects.

Innovation and Adaptation: To be open to innovative approaches in education and adapt to the changing needs of students while

Our journey is driven by the following... from page 9

Inclusivity Beyond Borders

As we look to the future, our commitment to virtual education remains steadfast. Through our innovative Indio Network platform, we are ready to offer another year of transformative learning experiences. We'll continue to stream our lessons to First Nation students across Turtle Island, ensuring that access to quality education is not limited by location or circumstance. Our focus is to extend educational opportunities to all corners of our vast and diverse Turtle Island.

Venturing into the Future

The future of education is boundless, and at FNVLC, we are poised to embrace it fully. We're venturing into uncharted territories, expanding our virtual content to encompass a wide range of subjects. Our focus includes interactive virtual field trips that transport students to far-flung places, digitized learning experiences that make education engaging and fun, and personalized learning paths that cater to individual needs and aspirations. The possibilities are limitless, and we're determined to explore them all.

Join Us in the Journey

Looking Ahead

As we look ahead, our commitment to virtual education remains unwavering. Through our innovative Indio Network platform, we are ready to offer another year of transformative learning experiences. We'll continue to stream our lessons to First Nation students across Turtle Island, ensuring that access to quality education is not limited by location or circumstance.

Let's delve deeper into what this forward-looking commitment entails:

Unwavering Commitment to Virtual Education

The FNVLC is resolute in its commitment to virtual education. This means that it recognizes the importance of leveraging digital platforms to provide accessible and flexible learning opportunities.

Innovative Indio Network Platform

The mention of the "Indio Network platform" signifies the FNVLC's investment in cutting-edge technology and infrastructure to deliver education. This platform likely offers features and tools designed to enhance the virtual learning experience.

Transformative Learning Experiences

The FNVLC is not content with just delivering education; it aims to make a difference in students' lives. "Transformative learning experiences" indicate that the FNVLC is dedicated to providing education that goes beyond the acquisition of knowledge. It's about personal growth, development, and empowerment.

Accessibility Across Turtle Island

The FNVLC's commitment to streaming lessons to First Nation students across Turtle Island emphasizes inclusivity. Turtle Island is a term used by some Indigenous peoples to refer to North America. By ensuring access to quality education across this vast region, the FNVLC is addressing geographical and circumstantial barriers that might hinder educational opportunities.

Equity in Education

The overarching goal is to ensure that all First Nation students, regardless of where they are located or their personal circumstances, have equitable access to a high-quality education. This commitment aligns with the FNVLC's mission to empower students and promote educational equity.

In essence, "Looking Ahead" signifies the FNVLC's readiness to embrace the future of education, leveraging technology to provide transformative and accessible learning experiences to First Nation students. It reflects a dedication to breaking down barriers and ensuring that education reaches every corner of Turtle Island, ultimately contributing to the empowerment and success of Indigenous communities.

Unbounded Possibilities

The future of education is boundless, and we're poised to embrace it fully. We're venturing into uncharted territories, expanding our virtual content to encompass a wide range of subjects. Our focus includes interactive virtual field trips that transport students to far-flung places, digitized learning experiences that make education engaging and fun, and personalized learning paths that cater to individual needs and aspirations. The possibilities are limitless, and we're determined to explore them all.

Let's explore the key points in this statement:

Boundless Future of Education

The FNVLC acknowledges that the future of education is limitless. It recognizes that traditional boundaries and limitations are giving way to new possibilities and opportunities in education.

Embracing the Future

The FNVLC is not just passively observing but actively embracing the changing landscape of education. It is willing to adapt and evolve to meet the needs of students in this rapidly changing world.

Venturing into Uncharted Territories

This phrase signifies the FNVLC's willingness to explore new and innovative approaches to education. It is ready to take risks and pioneer new methods to enhance the learning experience.

Expanding Virtual Content

By expanding virtual content, the FNVLC is broadening the scope of subjects and resources available to students. This reflects a commitment to providing a comprehensive and diverse educational experience.

Interactive Virtual Field Trips

The mention of virtual field trips indicates a commitment to immersive and experiential learning. It allows students to explore places and concepts beyond the confines of a traditional classroom.

Digitized Learning Experiences

Digitized learning experiences make education engaging and fun. They leverage elements of games to motivate and challenge students, enhancing their learning experience.

Personalized Learning Paths

Recognizing that every student is unique, the FNVLC aims to provide personalized learning paths. This approach tailors education to individual needs, interests, and aspirations.

Limitless Possibilities

The statement emphasizes that there are no limits to what education can achieve. It conveys a sense of ambition and determination to explore all the opportunities and innovations that the future holds.

Unbounded Possibilities reflects the FNVLC's commitment to pushing the boundaries of education. It aims to create an educational environment that is dynamic, engaging, and tailored to individual learners, while

embracing emerging technologies and pedagogical approaches. This forward-looking vision signifies a dedication to providing students with an education that prepares them for the limitless opportunities of the future.
